SUBJECT: INSTALLATION OF LINE

1. PAYMENT FOR THE LINE WAS MADE TO PTT AND ALL ARRANGEMENTS FOR INSTALLATION OF OUR LINE ARE COMPLETED. WITH SOME LUCK WE SHOULD HAVE THE COMPLETE CIRCUIT IN BY 30 NOVEMBER. PTT COULD NOT SUPPLY TERMINAL EQUIPMENT AND WE COULD NOT FIND ANYTHING SUITABLE HERE ON THE LOCAL MARKET. HOWEVER, WE HAVE BEEN ABLE TO HOOK UP A SUITABLE ARRANGEMENT USING WHAT EQUIPMENT WE HAVE ON HAND. THE RECEIVE PAIR WILL BE CONNECTED THROUGH ONE SIDE OF A DUAL DISTRIBUTION AMPLIFIER, AND THE OUTPUT OF THE AMPLIFIER WILL BE CONNECTED TO A SPEAKER THROUGH A STEP-DOWN TRANSFORMER. THE SEND SIDE TO LONDON, INSTEAD OF BEING CONNECTED DIRECTLY TO THE AUDIO FEED LINE, WILL GO

THROUGH A TRANSMISSION WHICH WILL ENABLE US TO SWITCH
FROM AUDIO FEED TO PHONE CONNECTION WHEN LONDON GIVES US
A CALL;

2; A SEPARATE MESSAGE WAS FILED TO CHIEF OPERATIONS
INFORMING THEM ABOUT THE LINE; ALSO, I GAVE THEM MY
DEPARTURE SCHEDULE; IT APPEARS I WILL BE ABLE TO DEPART
AS SCHEDULED, SO PLEASE GIVE MY WIFE THE GOOD NEWS;

HUMMEL
